

Kiss Rock & Roll over technical rider

- 5 or 6 piece drum kit. One bass drum. Two mounted toms. One or two floor toms, and a snare drum. Double kick pedal. Hi hat stand and cymbals. Two 16' crash cymbals. One ride cymbal. If possible a mounted gong to give that authentic KISS look.
- 2 Marshall JCM 800 or 900, 100 watt heads
- Preferably two full stacks of Marshall 4x12 cabinets although a 1/2 stack is acceptable
- Ampeg SVT bass amp head with a full stack bass cabinet
- 3 vocals across the front
- one drum vocal
- If possible one wireless mic for the song Beth
- One line out for intro track and Beth track. Run either from the drummer or soundboard
- 1/2 dozen red roses to be tossed to the ladies during Beth
- If possible, one cheap pawn shop electric guitar to be broken at the end of the show and handed to audience members
- 4 pack of 9 volt batteries. 8 pack of double aa batteries.
- Fire breathing, if permitted?
