The Show – “Then & Now...”

An uncanny resemblance to "Vintage" 1964 Barbra, as well as her skill in portraying Ms Streisand as we know her now, has given her the ability to create a show that is completely unique. Entitled "*Simply Streisand ...Then and Now*", this show, in 2 acts, encompasses the classic songs (and the 'look') so closely identified with the singer in the early days, as well as the songs she has made her very own in more recent years. "*Then and Now*" is distinctive in the industry, as *no one else* performs as both the younger and the more mature artist. In the 1st Act, you might reminisce while listening to songs such as "*I'm the Greatest Star*", "*Don't Rain on My Parade*", "*Starting Here, Starting Now*", and "*On a Clear Day*", while in the 2nd Act songs like "*The Way We Were*", "*Enough is Enough*", "*Somewhere*", "*Evergreen*" and "*Papa Can You Hear Me?*" will bring back many more memories. Audiences enjoy participating in the entertainment as she invites a guest to be her "Neil Diamond" in the duet, "*You Don't Bring Me Flowers*" and others perform as her backup dancers for "*The Main Event*".

Other shows we can offer: *Barbra, Back to Broadway*”, which will concentrate on the rich heritage of song literature from the American Musical Theatre, *“Simply Streisand - Holiday Memories”*, an evening full of the beautiful music of the holidays, mixed with some classic Streisand, and *“Simply Streisand, An Intimate Evening with Barbra”*, the perfect blending of just singer and piano with some of the loveliest music ever written. Whether she is costumed in the iconic sailor gown from Ms Streisand’s appearance on her first Television Special “*My Name is Barbra*” from 1965, or in one of the elegant gowns from the *Timeless* Tour of 2000, this exciting performer can provide you with a classy, professional and very entertaining performance of almost any length for almost any type of event. From the comedic stories and songs to the beautiful love ballads, she has it all...she's “Simply Spectacular...Simply Stunning...Simply Streisand”.
