

# The WannaBeatles

**What do you get when you combine Beatles, comedy, and audience interaction?  
The WannaBeatles!**

From ground breaking live-to-film sequences to their YouTube video triumph, "We Want to Meet Paul," The WannaBeatles go where no Beatles band has gone before.

Of course, you'll hear spot-on renditions of your favorite Beatles songs, but you'll also experience a high-energy variety act that knows how to keep an audience entertained. It's fun, family friendly and unlike anything you've seen before.

- Grammy nominated for "Fab Fan Memories – The Beatles Bond"
- National network TV appearance on Fox's "Huckabee"
- USA representative to Beatles 50<sup>th</sup> Anniversary Global Relay
- "We Wanna Meet Paul" video gone viral
- Commissioned to write theme song for Betty White "Oh, Betty!"
- One-of-a-kind **live to film** Ed Sullivan re-creation
- Special concerts with symphonies, youth orchestras, and choirs

"They played 4 billion Beatles hits and the crowd loved every minute. Note to promoters and festivals – book this band if you want a happy, big crowd."
